

One Step At A Time

One step at a time, that's all I must take;
For Jesus has promised to give, for my sake,
All the strength that I need, One step at a time!

One step at a time; each moment, each hour,
I'm kept in His love, sustained by His power;
And He'll stay close to me, One step at a time!

One step at a time; no more I need see,
As long as my Jesus walks just before me;
And He guides me on, One step at a time!

One step at a time; the cares are so great;
But Jesus has taken the pain and the weight,
And bears them all for me, One step at a time!

One step at a time; I'm glad that is all;
For without Jesus I'd stumble and fall;
But He's there to help me, One step at a time!

One step at a time; no tomorrow may come,
But Jesus has promised a heavenly home
And I'm walking toward it, One step at a time!
